SCORECARD BACK

MATCH-NIGHT CHEAT SHEET

BCA-based reminders + our league exceptions. Full league rules on the website take priority.

RACK & BREAK 8 in the middle; apex on the foot spot; one solid and one stripe in the back corners. Visitors rack/break rounds 1 & 3; home rounds 2 & 4.

LEGAL BREAK Start behind the head string. Pocket a ball or drive four object balls to rails. Illegal break: opponent may accept the layout or rerack and choose who breaks.

LEAGUE EXCEPTION 8 on a legal break = WIN. A break scratch gives the opponent ball in hand behind the head string; head-string restrictions apply.

OPEN TABLE / CALLS The break leaves groups open; a later legal called pot assigns them. Open-table combos may start with any ball except the 8. Call unclear balls/pockets, including banks and combos.

LEGAL SHOTS / FOULS Hit your group first. After legal contact, pocket a ball or send any ball to a rail. Standard foul = opponent ball in hand anywhere; break rules differ.

THE 8-BALL Clear your group, then pocket the called 8. Early/wrong-pocket 8, 8 off-table or pocketing the 8 with a foul = loss (break exception above). Scratch with the 8 still up is not automatically a loss.

LEAGUE SHOT RULES No jump shots. No massé shots. Brief teammate coaching is allowed; do not delay play. Declare a safety before shooting.

SCORING Winner: 10. Loser: 0-7 (one per pocketed ball in their group). Four games each; 40 possible per player, 160 per team. Both captains check the sheet.
